

**Uri Soap  
Products Ingredients List**

Dear Valued Customers,

Our comprehensive document, titled "**Uri Soap Products Ingredients List,**" **provides detailed information on the ingredients used in our products.** As outlined in our Terms and Conditions, we are committed to transparency and the highest standards of quality. **This document ensures you have access to essential information regarding our products, fostering trust and a shared commitment to your well-being.**

We provide a detailed list of ingredients for each soap product. **It is the responsibility of the customer to review these ingredients and ensure they are not allergic or sensitive to any components.** If you have known allergies or sensitivities, please exercise caution and consider seeking advice from a medical professional before use.

Our products are for external use only. If irritation occurs discontinue use. Avoid direct eye contact.

**How to care for your soap:** In order to take the best possible care to extend the life of your handmade soap you can use a draining soap dish that will keep the soap dry underneath.

**Cut at approximately 100 grams.** All bars are cut by hand and sizes can vary slightly from bar to bar.

Should you have any further questions or require additional information, please feel free to reach out to us for a consultation. We're here to assist you.

Thank you for visiting my shop. Happy shopping!

Best regards,

**Szilvia Uri**

# Activated Charcoal Soap

This handmade facial soap combines the purifying properties of activated charcoal with the moisturizing benefits of cocoa butter and avocado oil, creating a well-rounded skincare solution. It's designed to cleanse, nourish, and refresh your facial skin, leaving it feeling clean, soft, and rejuvenated. This soap is an excellent choice for those seeking a gentle and natural facial cleanser with added skin-loving properties. **Activated Charcoal:** Activated charcoal is known for its exceptional ability to draw out impurities and toxins from the skin. In a facial soap, it acts as a natural detoxifying agent, helping to absorb excess oils, dirt, and pollutants, which can clog pores and lead to blemishes. Charcoal can leave your skin feeling cleansed and refreshed.

**Cocoa Butter:** Cocoa butter is a rich and luxurious natural emollient. It helps to deeply moisturize and hydrate the skin. Cocoa butter is high in antioxidants and contains essential fatty acids, making it an excellent choice for nourishing and protecting the delicate skin on your face. It can also aid in improving skin elasticity and tone.

**Avocado Oil:** Avocado oil is packed with vitamins and healthy fats that are beneficial for the skin. It is deeply moisturizing and can help soothe and repair dry or damaged skin. Avocado oil is rich in vitamin E, which offers antioxidant protection, and it can aid in reducing inflammation and redness.

## **Ingredients:**

Sodium Olivete (Olive Oil), Sodium Cocoate (Coconut Oil), Sodium Shea Butterate (Shea Butter), Sodium Cocoa Butterate (Cocoa Butter), Sodium Persea Gratissima (Avocado) Oil, Sodim Castorate (Castor Oil) , Aqua, Glycerin, Charcoal Powder

# Lemongrass Shampoo Bar

Strong hair with a citrus aroma. This shampoo bar combines the uplifting scent of lemongrass essential oil with the detoxifying qualities of yellow and white clays. Uri Shampoo bars are crafted to be gentle on the hair and scalp, offering effective cleansing without harsh ingredients. It's a sustainable alternative to traditional liquid shampoos, promoting eco-friendly practices while providing an aromatic and refreshing cleansing experience. This shampoo bar is an excellent choice for those who appreciate the natural approach to haircare and wish to minimize their environmental impact.

**Lemongrass Essential Oil:** Lemongrass essential oil brings a zesty and citrusy fragrance to the shampoo bar, creating an invigorating and energizing shower experience. This oil may also have potential benefits for the hair and scalp, such as promoting shine, reducing dandruff, and enhancing overall hair health.

**Yellow Clay and White Clay:** Yellow clay and white clay are both renowned for their natural purifying and cleansing properties. They work to absorb excess oils, impurities, and buildup from the hair and scalp, leaving your hair feeling fresh and revitalized. Yellow clay is often used to help balance oiliness, while white clay is gentler and suitable for sensitive scalps. These clays also contain minerals that can promote scalp health and maintain hair vibrancy.

## Ingredients:

Sodium Cocoyl Isethionate (SCI), BTMS 25 (Cetearyl Alcohol, Behentrimonium Methosulfate), CAPB (Aqua, Cocamidopropyl Betaine), Aqua, Cetyl Alcohol, Panthenol (Panthenol, Aqua, Citric Acid/Panthenol, Aqua, Pantolactone), Cocos Nucifera Oil (Coconut Oil), Hydrolyzed Cannabis Sativa (Hemp) Seed Extract, Olea Europaea Fruit Oil (Olive oil), Theobroma Cacao Seed Butter (Cocoa Butter), Stearic Acid, Hydrolyzed Protein, Lemongrass oil, Illite (Yellow Clay) ^Citral, ^cis-ocimene ((z)-3,7-dimethyl-1,3,6-octatriene / (R)-p-mentha-1,8-diene (d-limonene), ^Geranyl acetate, Tetrahydrogeraniol (Dihydrocitronellol/3,7 dimethyl-1 octanal), ^ Citronellol, ^Citronellal, ^Geraniol, ^Eugenol.

^ Natural constituent of essential oils listed

# Rosemary Shampoo Bar

A handmade shampoo bar with rosemary essential oil, green clay, and white clay is a unique and natural hair cleansing product that offers a combination of soothing and purifying elements. Here's a brief explanation of its key components:

**Rosemary Essential Oil:** Rosemary essential oil provides a refreshing and invigorating scent, which not only stimulates the senses but may also promote a sense of vitality and mental clarity. It's often used in haircare products for its potential benefits in promoting hair growth and scalp health. Rosemary oil can help improve circulation to the scalp and may assist in reducing dandruff and enhancing the overall condition of your hair.

**Green Clay and White Clay:** Green clay and white clay are both known for their natural detoxifying and purifying properties. They can help remove excess oils, impurities, and build-up from your hair and scalp. Green clay is often used to control oiliness, while white clay is gentler and suitable for sensitive scalps. These clays also contain beneficial minerals that can contribute to healthy hair and a balanced scalp.

This shampoo bar combines the refreshing scent of rosemary essential oil with the cleansing and purifying qualities of green and white clays. It's a unique and eco-friendly alternative to traditional liquid shampoos, as Uri bars are formulated to be gentle on hair and scalp while still providing effective cleansing. This shampoo bar is an excellent choice for those looking to reduce their environmental footprint and embrace a natural approach to haircare, with the added benefit of aromatic rosemary essence.

## Ingredients:

Sodium Cocoyl Isethionate (SCI), BTMS 25 (Cetearyl Alcohol, Behentrimonium Methosulfate), CAPB (Aqua, Cocamidopropyl Betaine), Aqua, Cetyl Alcohol, Panthenol (Panthenol, Aqua, Citric Acid/Panthenol, Aqua, Pantolactone), Cocos Nucifera Oil (Coconut Oil), Hydrolyzed Cannabis Sativa (Hemp) Seed Extract, Olea Europaea Fruit Oil (Olive oil), Theobroma Cacao Seed Butter (Cocoa Butter), Stearic Acid, Hydrolyzed Protein, Rosmarinus officinalis (Rosemary) leaf oil, Montmorillonite (Green Clay) ^Eucalyptol ^d-Limonene ^camphor

^ Natural constituent of essential oils listed

# Peppermint Shampoo Bar

Keeps a healthy balance on your scalp. This shampoo bar offers a cleansing experience that combines the purifying qualities of activated charcoal and white clay with the refreshing and invigorating scent of tea tree essential oil. Uri Shampoo bars are designed to be gentle on hair and scalp while effectively cleansing. They also support eco-friendly practices by eliminating the need for plastic packaging. This shampoo bar is an excellent choice for those looking for a natural and purifying hair cleanser with added aromatic and detoxifying benefits.

**Tea Tree Essential Oil:** Tea tree essential oil is known for its potent antibacterial, antifungal, and antimicrobial properties. In a shampoo bar, it helps cleanse and purify the hair and scalp, making it an excellent choice for those dealing with dandruff or an oily scalp. Tea tree oil can also provide a refreshing and invigorating scent.

**Activated Charcoal:** Activated charcoal is a powerful natural detoxifier. In a shampoo bar, it works to absorb impurities, excess oils, and product build-up, leaving the hair and scalp feeling deeply cleansed and refreshed. Charcoal can also add a gentle exfoliating element that helps remove dead skin cells.

**White Clay:** White clay is gentle and ideal for sensitive scalps. It helps to remove impurities and excess oil without causing irritation. White clay can leave the hair and scalp feeling balanced and clean.

## Ingredients:

Sodium Cocoyl Isethionate (SCI), BTMS 25 (Cetearyl Alcohol, Behentrimonium Methosulfate), CAPB (Aqua, Cocamidopropyl Betaine), Aqua, Cetyl Alcohol, Panthenol (Panthenol, Aqua, Citric Acid/Panthenol, Aqua, Pantolactone), Cocos Nucifera Oil (Coconut Oil), Hydrolyzed Cannabis Sativa (Hemp) Seed Extract, Olea Europaea Fruit Oil (Olive oil), Theobroma Cacao Seed Butter (Cocoa Butter), Stearic Acid, Hydrolyzed Protein, Charcoal powder, Montmorillonite, C.I.77499, Kaolin clay (white clay), Tea tree oil, <sup>^</sup>p-menth-1-en-4-ol<sup>^</sup>gamma terpinene <sup>^</sup>pin-2(3)-ene<sup>^</sup> p-mentha-1,3-diene  
<sup>^</sup> Natural constituent of essential oils listed

# Lavender Shampoo Bar

This shampoo bar combines the calming scent of lavender essential oil with the purifying effects of pink and white clays. Uri Shampoo bars are designed to offer a mild and effective hair cleansing experience without harsh ingredients. Moreover, they promote sustainable and eco-friendly practices by eliminating the need for plastic packaging. This shampoo bar is an excellent choice for those who appreciate a natural approach to haircare, enjoy the soothing fragrance of lavender, and wish to minimize their environmental impact.

**Lavender Essential Oil:** Lavender essential oil imparts a gentle and calming aroma to the shampoo bar, creating a serene and relaxing shower experience. Lavender is renowned for its potential to alleviate stress, reduce anxiety, and promote a sense of tranquility. It is also known for its skin-soothing properties, which can be beneficial for the scalp.

**Pink Clay and White Clay:** Pink clay and white clay both possess natural purifying and detoxifying qualities. These clays work to remove excess oils, impurities, and buildup from both the hair and scalp. Pink clay is often used to help balance oiliness and maintain a healthy scalp, while white clay is gentle and suitable for sensitive skin. These clays also contain minerals that can promote scalp health and maintain hair vibrancy.

## **Ingredients:**

Sodium Cocoyl Isethionate (SCI), BTMS 25 (Cetearyl Alcohol, Behentrimonium Methosulfate), CAPB (Aqua, Cocamidopropyl Betaine), Aqua, Cetyl Alcohol, Panthenol (Panthenol, Aqua, Citric Acid/Panthenol, Aqua, Pantolactone), Cocos Nucifera Oil (Coconut Oil), Hydrolyzed Cannabis Sativa (Hemp) Seed Extract, Olea Europaea Fruit Oil (Olive oil), Theobroma Cacao Seed Butter (Cocoa Butter), Stearic Acid, Hydrolyzed Protein, Lavandula Angustifolia Oil, Kaolin-illite (pink Clay), ^dl-Camphor; ^1,8-cineol; ^ (R)-p-mentha-1,8-diene (d-limonene); ^alpha-Pinene.

^ Natural constituent of essential oils listed

# Solid Body Cream

Solid lotion creams provide a multitude of benefits for the skin. They are often infused with natural ingredients like carnauba wax, shea butter, cocoa butter, hempseed oil, and grapeseed oil. Carnauba wax acts as a protective barrier, sealing in moisture and shielding the skin from environmental stressors. Shea butter and cocoa butter moisturize deeply, improving skin elasticity and nourishing dry areas. Hempseed oil delivers omega fatty acids, reducing inflammation and promoting overall skin health. Grapeseed oil is lightweight, offering hydration without clogging pores. Together, these ingredients work harmoniously to hydrate, protect, and rejuvenate the skin.

## Products:

Solid lotion bars offer moisturizing benefits, eco-friendliness, and zero waste. They're compact for travel, long-lasting, and easy to apply. Natural ingredients make them suitable for sensitive skin.
